Important news about your Revere Bank Rockville banking office.

As we announced late last year, we're expanding our commitment to our clients and communities in the Maryland, Northern Virginia and Washington, D.C. area through our acquisition of Revere Bank.

Over the coming months, we'll be transitioning Revere Bank clients into Sandy Spring Bank, and combining our systems so that we can offer even greater resources and benefits.

As part of this process, we've been evaluating all of our branch locations and have decided to combine a very small number of offices that are located near each other. Our goal, as always, is to be here for you, particularly as we move forward together.

What this means for you

- The Revere Bank Rockville banking office located at 414 Hungerford Drive in Rockville, MD will be combined with the Sandy Spring Bank Rockville branch at 611 Rockville Pike in Rockville, MD.
- This change will occur as of August 17, 2020. You'll continue to be served by many of the same familiar people.
- Please continue to bank at the Revere Bank Rockville banking office until 3pm on Friday, August 14, when it will close.

Please keep in mind you can always take advantage of our suite of digital services to manage your banking, including online and mobile banking plus access to over 55,000 surcharge-free Allpoint ATMs.

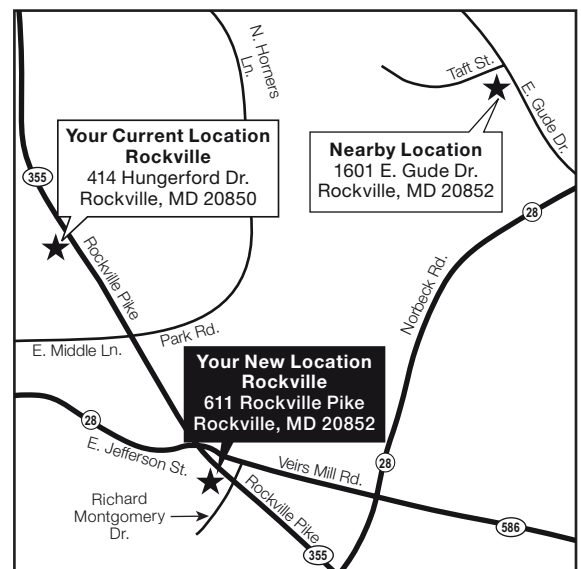

Please contact us if you have any questions

We value your relationship and look forward to continuing to serve all of your banking needs. If you have any questions about this information, please contact the Rockville banking office at 240.499.1190. Thank you for banking with us.

Sincerely,

Daniel J. Schrider
